

2024 Membership Principal Changes and Clarifications

- 2024 is the final year that the A La Carte Memberships will be offered. Please discuss options for changes in membership category with Nancy or Deb in the Main Office. This decision is necessary for the club to maintain its operational status as a private club.
- All membership renewals and new member applications must have a form filled out with the Member's signature present.
- All Members are required to have a House Account. This was present in 2023 and is added here as an important reminder.
- Club Championship game fees are included with memberships.
- Access to off-season (winter) activities are for members that have paid their 2024 Membership Dues in Full.
- Member Golf Events will be made available for registration on March 16, 2024. Only members that have paid their full membership dues for 2024 will have access to event registrations.
