Our Junior Summer Camps are a great way to get your young golfer out to the club to learn about golf, enjoy some fun activities, and make some new friends. The Golf Shop Assistants will make everyday fun and exciting, with all sorts of different activities throughout the morning sessions. Each day the club will provide snacks and lunch at noon.

Camps are for the family of Vespra Hills Members. Friends of Members may join if there is room available after June 1.

### **WHO SHOULD COME TO CAMP?**

Anyone and everyone who has a love for sports and activities. This is a half day camp that has many activities, and golf is just part of it. A great introduction to the club, some new friends, various activities, and learning about the game of Golf. The camps are geared toward beginners and intermediate players.

### **WHAT HAPPENS AT GOLF CAMP?**

Besides having a lot of fun, we use our daily time to learn about golf and other activities! This starts with morning golf-specific stretches and warm-up routines, followed by lessons on swing mechanics, and proper short-game techniques. Most of our learning is game-based, increasing enjoyment, focus, and skill! We also have S.T.E.A.M. based activities to help add to the enjoyment of the days. We'll head out on to the golf course on Friday for a fun team scramble golf game. The maximum number of students per coach will be 6:1.

### **WHAT SHOULD I BE SENDING WITH MY CHILD?**

- appropriate clothing for the weather (this includes rain gear and umbrellas if necessary!)
- sunscreen & a hat, along with any other appropriate sun protection
- change of clothes
- water bottle
- golf clubs

### **RAINY DAY'S**

Our summer camps will run rain or shine. If we have a rainy day, we have planned activities such as games to learn the rules of golf, history, trivia, and indoor contests.

### **WHERE DO WE MEET FOR CAMP?**

Look for the tent just beside our big practice putting green. Your instructors will meet you there each morning. If you arrive before the tent is set up, or before the instructors are outside, please feel free to practice putting on the green.
