

## The Attic Golf Lounge

### **2021/22 Programs and Rates**

Vespra Hills is happy to bring you The Attic Golf Lounge once again for the upcoming off-season. Located on the top floor of the clubhouse, The Attic provides the industry leading Trackman golf launch monitor for golf simulation and instruction, warm and inviting lounge area with a big screen TV, and a fully operational Golf Shop. Our PGA Professional Staff are on site for lessons and to help with any golf needs you have throughout the winter. The Golf Shop is ready to help with any Holiday Season gifting, supplies for your winter trips, and any corporate merchandise that your company needs for 2021/22.

#### **Golf Simulation and Weekly Team Challenges**

Throughout the summer we had a great time with our Men's and Ladies' leagues, and now we can carry on throughout the winter. Whether you want to play 18 holes on your own, or challenge a friend to a round, or jump into a fun 9-hole Weekly Challenge, you can do it all at The Attic. This is the feature that most members have enjoyed the most. Golf Simulator Rounds are bookable on 7 days a week with *limited space on Sundays and Mondays* based on the Teaching Professionals bookings that week. Weekly challenges will run from Tuesday to Saturday each week and will be paid out in golf club vouchers weekly.

**We plan on adding one to two more hitting bays by early January and will update offerings as we near completion.**

#### **Special Events**

Be on the lookout for monthly special events that will include more than just golf. Feel free to create your own special event ideas and book the attic for you and your friends. Look for upcoming events like Monday Night Football, Card Nights, Leaf Games, Ladies Nights, and more.

#### **Instructional Programs**

Ben Groome, PGA of Canada Teaching Professional, will be available throughout the winter months to help take your game to the next level. The variety of instructional programs will include private sessions, specialty clinics, junior programs, and winter long coaching programs.

December 24, 2021, to January 2, 2022: Closed

\*Members with reservations will be contacted should the weather force the club to be closed.

### Principle changes for 2021/22:

1. Removal of Flightscope Bay, replaced with increased lounge area and a new Attic Washroom.
2. Reservations will be completely exclusive and private for you and your group only.
3. Season long winter league replaced with weekly challenges. Covid-19 interruptions have made weekly challenges more manageable for the foreseeable future.
4. Packages not available for 2021/22 for similar reasons in item #3.
5. Bookings moved to 1.5 hours vs 1 hour. Twosomes will comfortably play 9 holes in 1.5 hours, with experienced players completing 18 in the same timeframe. Four players should be able to comfortably 18 holes in 3 hours.
6. Book times through Tee-On, starting at 9AM, 5 days out. Special bookings that include F&B will be considered, on a limited basis.
